

GCSE Geography Revision Guidance

Which exam board?

In Geography we follow the **AQA** exam board.

What revision resources do students have?

- A Bishop Challoner Revision booklet was given to students at the start of the year. This includes summarised knowledge organisers for every topic, exam advice and banks of practice exam questions.
- A checklist for each unit of work
- The recommended revision guide for the AQA exam.
- Class notes and booklets.

Additional Resources students could access at home or in the school library:

- AQA BBC Bitesize for GCSE Geography

What are the best ways for students to revise Geography?

- Summarising key content or concepts (flash cards, mind mapping topics, bullet pointed notes).
- Practising exam questions. All students now have banks of questions in which have been carefully planned to meet the requirements of the course. If students are in a position to answer all of these questions by the start of May then they will be in a very strong position.
- Testing one another verbally or by a parent / carer. Going through the revision checklists or using the knowledge organisers students could test one another on key content. This is particularly useful for helping remember key facts for case studies.
