

Year 9 – T2 Assessment

Pupils will sit 3 papers in science : Biology, Chemistry and Physics.

They will be tested on all the GCSE material they have been taught since January. Pupils have been given the specification points to revise and are as follows:

Biology: Topic 1 key concepts specification points 1.1 - 1.12

Chemistry: Topic 2 States of matter (2.1-2.12); Topic 1 key concepts (1.1- 1.12)

Physics: Motion and forces: (2.1-2.19, 2.27-2.30)

The specification can be found on the school website in the Science section of Curriculum.
