

BISHOP CHALLONER CATHOLIC COLLEGE

18th September 2018

Dear Parents/Carers

I am delighted to inform you that Year 10 students have started their KS4 curriculum extremely well and are adopting a very mature approach to GCSE study.

It may be the case that some students wish to make a change to their options. They have been told that there is a limited time span available for them to do so. There is a process in place that students, wishing to make a change to their options, must follow and this has been explained clearly to them.

In the event that your child wishes to change an option choice I will endeavour to do so. **However, I cannot guarantee that I will be able to accommodate each request.** This is because option choices for the whole of Year 10 have now been allocated and it may be the case that based on existing student choices, certain classes are now at their maximum capacity.

Thank you for your continued support.

Yours sincerely

Mr Clarke

Head of Year 10

Principal - Mr K.McEvoy

Institute Road, Kings Heath, Birmingham, B14 7EG
