

BISHOP CHALLONER CATHOLIC COLLEGE

11 April 2019

Dear Parents /Carers

Year 9 Transition 2 Assessments:

I am writing to you to remind you that Year 9 Students will be sitting the Transition 2 assessments in the assessment window between **Monday 13th and Friday 24th May**. These assessments allow us to measure the progress your son/daughter has made since the Transition 1 assessments from the last academic year.

In upcoming weeks students will be preparing for these assessments in class and will be provided with revision guidance. Could I please ask that you encourage your son/daughter to revise at home on a regular basis over the next few weeks; this will allow them to demonstrate what they know in the assessments and help them build future foundations for revision patterns as they move onto Year 10. This will stand them in good stead for future assessments and public examinations.

Some of the more creative subjects, such as Music, Dramatic studies and Product design are having ongoing assessment as part of modular project work. A standardised score will be based on performance and progress.

Yours Sincerely,

Ms Beard
Head of Year 9
